

iSEARCH SMARTER CELL SEARCHES

About Us

Founded in 2000, CNT Infotech is a leading provider of technology solutions specializing in Jails, Corrections, and Healthcare. With over 25 years of experience, we are committed to developing innovative, efficient, and integrated solutions that enhance operational efficiency and security.

Introducing iSEARCH

iSEARCH is a mobile application designed to streamline and document cell searches in jail and prison environments. It empowers officers with an intuitive, technology-driven approach to tracking contraband, reporting search activities, and enhancing security.

Why Choose iSEARCH

- ✓ Mobile
- ✓ Comprehensive Dashboard
- ✓ User Friendly
- ✓ Seamless Integration
- ✓ Cloud Based
- ✓ Connects with CJIS
